Marketplace Safety Tip

- Pay with PayPal. It's the easy and fast way to pay online, and it lets you shop without sharing your financial details with sellers. PayPal also offers up to $2,000.00 of free purchase protection on qualified eBay purchases. Terms and conditions apply.
- Keep your money safe - never pay for items with cash or instant money transfer services, such as Western Union or MoneyGram. In the past some sellers have exploited these payment methods in order to defraud buyers, so eBay has banned them from the site.
